

## ***Rebecca A. Janutis***

Rebecca Janutis is the Chief Information Security Officer for Kohl's Department Stores. In this role, she is responsible for developing the overall information security strategy for Kohl's. Rebecca directs the execution of multiple enterprise-wide security and compliance programs designed to protect Kohl's most sensitive data, identify threats, and mitigate security risk.

Prior to joining Kohl's Department Stores, Rebecca was a Senior Manager at Discover Financial Services for nearly nine years, where she led the security engineering, risk management, and incident response teams.

Rebecca holds a BS degree in business with concentration in management information systems from Miami University in Oxford, Ohio, and an MBA from Loyola University in Chicago.
